## WELCOME

Hi and welcome to this issue of the WARA Newsletter. My name is Dave Valcic and I look forward to keeping our members and associates informed and amused but in saying this I really need some input from you guys. Any useful information/ideas, Ranger related stories, jokes and photos are welcome and can be sent to [valcic@optusnet.com.au](mailto:valcic@optusnet.com.au).

I know we all lead busy lives and hence the length of time it has taken to get this issue off the ground but as we all know many hands make for light work.

## INTRODUCING – RANGER DAVE

Born in Sydney NSW 1961. I was a cook for two years until joining the Australian Regular Army in 1979 where I spent a good twelve years working as an Air Dispatcher, Driver and in the Administration field. Moved to Perth in 1990 and was gainfully employed at the City of Fremantle as a Parking Officer/Ranger for fourteen years. I found that I was becoming inspired by expired meters so in 2006 I took a full time Rangers position with the City of Rockingham where I am still currently employed.

I have just about seen and done it all but I am always learning something new or updating my skills thanks to the wonderful efforts of all past and present WARA Committee Members, the C.Y. O'Connor Institute, our sponsors and my current employer.

Cheers.
